

Buffalo Rock

7

This "form" letter was
issued to every store
owner and/or landlord
over the past month.
Therefore all four
banners, Card Mounts,
Pole Mounts, etc. have
been removed in the Rochester
area.

At this particular location
all his signs are mounted
to his building. Owner
arguing with the City
stating the signs are new
and attractive on his
building and certainly
better than spray-painted
graffiti!
